For illustrative purposes

Hello fellow investors,

My name is Jane Kor I Live in the UK.

I am an equity investor.

Strategy
type

I use fundamental analysis for stock picking along with some
technical analysis for entering/exiting positions. looking for
undervalued stocks using a method I've developed over the years.

Strategy
Description

I hold my positions for the medium-long term, usually between
4-12 months.

Investment
Period

I am a CPA with BA Business Management and Accounting from
Durham University.

Education

After 4 years as an accountant at Deloitte, I have joined a Family
Office as an Investment Analyst, doing wealth management for
high-net-worth individuals. After that, I managed an Algotrading
Hedge Fund and also had my own venture in sports-tech. I am now
a 100% proud eTorian.

Professional
experience

My minimum suggested copy amount is \$500
and click 'copy open trades'.

Min. copy
amount

On a personal note — I play in a band called "Lizardream".
I love sports, cooking and the financial markets.

Personal
note

I will be glad to connect with you over the feed.
Please feel free to ask me questions.
